

# Puppy Socialization Field Trip Plan

Date ..... Weather conditions .....

Planned destination & route .....

Method of transportation .....

Approximate length of trip .....

Game Plan (write a detailed plan for your field trip) .....

.....  
.....  
.....

What do you plan to encounter? Are you looking for something or someone specific today?

.....  
.....  
.....

What did you encounter? (attach Social Schedule with items checked that you encountered)

.....  
.....  
.....

Notes on puppy's body posture. Was there any stress surrounding a particular situation?

.....  
.....  
.....

## Bring with you...

- 4 different types of treats, at least 2 of them high value. Bring enough so you don't run out.
- water and a collapsible bowl.
- a favorite toy for puppy - ideally a squeaky plush toy.
- paper towel to clean up any accidents in stores.
- any other gear needed for specific outings like swimming or hikes.

## Reminders

- Carry your puppy often
- Practice Meet Greet and Treat with your puppy, if people ask to pet him.
- Be aware of your puppy's mood and stress level. Quit while you are successful.
- Be aware of your environment. Try and see it from your puppy's point of view.
- In all new locations don't forget to practice Pause and Yoo-hoo.
